I, the undersigned, hereby authorize the physicians listed above to perform the following specific procedures as necessary to facilitate my diagnosis and treatment:

General Diagnostic Procedures, which may include but is not limited to venipuncture, PAP smears, radiography, and blood and urine lab work, general physical exams, neurological and musculoskeletal assessments.

Lifestyle Counseling and Hygiene: diet therapy, promotion of wellness including recommendations for exercise, sleep, stress reduction, immunization, psychological counseling, and balancing of work and social activities.

Dietary Advice and Therapeutic Nutrition: use of foods, diet plans or nutritional supplements for treatment—may include intramuscular vitamin injections.

Herbs/Medicines: prescribing various therapeutic substances including plants, minerals, animal materials, and some pharmaceuticals, and non-drug contraceptive devices. Substances may be given in the form of teas, pills, powders, tinctures—may contain alcohol; topical creams, pastes, plasters, washes, suppositories or other forms.

Soft Tissue and Osseous Manipulation: use of massage, neuro-muscular techniques, muscle energy stretching or visceral manipulation, as well as manipulations of the extremities and spine, including traction.

Homeopathic Remedies: use of highly dilute quantities of naturally occurring plants, animals and minerals to gently stimulate the body's healing responses.

Minor office procedures: Dressing wounds, ear cleansing, care of superficial lacerations.

Electromagnetic and Thermal Therapies: The use of ultrasound, low and high volt electrical muscle stimulation, transcutaneous electrical stimulation, microcurrent stimulation, infrared and ultraviolet therapies, and hydrotherapy.

I recognize the potential risks and benefits of these procedures as described below:

Potential risks: Discomfort, pain, minor bruising, infection, blistering, loss of consciousness or deep tissue injury from, topical procedures, heat or frictional therapies, electromagnetic- and hydrotherapies; allergic reactions to prescribed herbs or supplements, soft tissue or bone injury from physical manipulations, temporary discoloration of the skin, temporary dizziness and lightheadedness, and aggravation of pre-existing symptoms.

Potential benefits: Drugless relief of presenting symptoms and improved balance of bodily energies, which may lead to prevention or elimination of the presenting problem and the strengthening of the constitution, restoration of health and the body's maximal functional capacity, relief of pain and symptoms of disease, assistance in injury and disease recovery, and prevention of disease or its progression.

Notice to Pregnant Women: All female patients must alert the doctor if they know or suspect that they are pregnant, since some of the therapies used could present a risk to the pregnancy. Labor-stimulating techniques or any labor-inducing substances will not be used.

With this knowledge, I voluntarily consent to the above procedures, realizing that no guarantees have been given to me regarding cure or improvement of my condition. I understand that I am free to withdraw my consent and to discontinue participation in these procedures at any time.

I understand that a record will be kept of the health services provided to me. This record will be kept confidential and will not be released to others unless so directed by myself or my representative or if it is required or permitted by applicable law. I understand that I may look at my medical record at any time and can request a copy of it by paying the appropriate fee. Financial Policy

The following outlines our financial policy. Please review carefully and sign/date it.

- Payment is due at time of service. The provider may arrange this differently under certain circumstances. Acceptable forms of payment include cash, check, Visa, & MasterCard. Insurance is also accepted. Payment for services are paid to the appropriate billing provider (not CAIM).
- Patients who pay out of pocket for their visit will ONLY be given a 20% discount if they pay at time of service.
- Nutritional supplements must be paid for at the time of purchase, regardless of insurance.
- Please give us 24 hours' notice if you can't make your appointment. Failure to give 24 hours advance notice for appointment cancellations may result in a fee. Patients will now be billed **$50.00 for appointments that are cancelled with less than 24 hours' notice**. Special circumstances may waive this fee. The front desk will now remind patients of this policy when they call for appointment reminder.
- Patients may be responsible for charges incurred by using the practitioner's pager, cell phone, or text service outside of normal business hours (Monday-Friday: 9am-6pm). This fee will be $40 per page, cell phone call, or text. We encourage all patients to call the front desk with immediate concerns during normal business hours.
- Patients are responsible for all bank charges and fees resulting from a returned check.
- Accounts more than 60 days overdue will incur financing charges of 1% per month on any outstanding balance.
- There may be an associated form fee at physician's discretion of $25. Forms include but aren't limited to letters of medical necessity.

Insurance: Your insurance policy is a contract between you and your insurance company. We are not a party to that contract. We will bill your insurance as a courtesy for which we are contracted providers, as long as you provide us with your current and correct information.

I authorize my insurance benefits be paid directly to the provider. I understand that I am financially responsible for any balance. I also authorize my provider or my insurance company to release any information required to process my claims. I understand that payment is dependent on my eligibility at the time of service and ALL terms and conditions of my insurance plan. I also acknowledge that certain services may not be covered by my benefit plan, or deemed medically unnecessary, and agree to pay for any Non-Covered Service, such as phone or email consultations and outside labs. This authorization shall remain valid until revoked by me in writing.

Payment Issues: If financial problems arise, please contact our office ASAP. Installment or payment arrangements can be implemented. Balance will become due immediately if you break rules of the plan.

I have carefully read the Financial Policy. I understand and agree to the terms therein.
